## Student Spotlight

*"I was so relieved and happy not only to receive a scholarship, but the Chartwell Law Office, LLP scholarship as well. Their scholarship has made a tremendous difference in my life. Like I said I didn't have enough to go on and this scholarship made all the difference in the world for me. I am so grateful for the generosity of Kids Chance and the Chartwell Law Offices for the past 4 years and helping me to achieve my academic goals.*

*Again I would like to say thank you once again, for you have granted me so many opportunities that I would not have had if it were not for your generous scholarship. Thanks to you I have been able to complete two years of my college education, and make myself, my parents, and my family very proud of my accomplishments."*
