Student Spotlight

Noah, Juniata College

"I would like to thank you for awarding me a scholarship for the 2010-2011 academic year. It was a great assistance to me and my family, as the cost for college is very expensive these days. Attending Juniata College has been such a blessing. Being a part of the Juniata community

has been a wonderful and fruitful experience. I consider what Kids' Chance has done for me as a gift that keeps on giving, and I greatly appreciate what you've done for me."

Partnerships with businesses and community organizations make it possible for Kids' Chance to continue to fulfill its mission.
