I would like to thank you for this incredible opportunity to be awarded this generous scholarship. I am very grateful and honored to receive this scholarship you have granted me with to advance my education here at Binghamton University.

I became eligible for this scholarship when my mother was involved in an accident at work in 2021, and it affected not only her but everyone else in our home. [...]

This scholarship means more to me than many will ever understand, and it has provided me with relief, hope, and motivation. This scholarship and support helps ease the guilt that my mother feels as a result of not being able to help fund my college education, which we both greatly appreciate. Again, thank you for your help. I am extremely grateful for your support and will continue to utilize it to the best of my ability.
